Broad College Community Members:

We write to share with you that the national search for the next Dean of the Broad College of Business is being launched effective February 9, 2024. We ask each of you, as members of the Broad College community, to encourage the candidacy of colleagues whose qualifications, talents, and perspectives would make them excellent candidates. Nominations, inquiries, and application materials can be submitted to the executive search firm, WittKieffer, at MichiganStateBusinessDean@wittkieffer.com.

You can visit this [website](#) to view the position profile and see updates as we move forward in the search process. The goal of the search is to invite finalists to participate in visits with campus constituency groups in late Spring 2024 semester.

Questions about the search should be directed to the committee co-chairs, Naveen Khanna (khanna@broad.msu.edu) and Chris Long (cplong@msu.edu) .

Rachel Duncan

She/Her/Hers
