How Your Contribution To Auction 2027 Helps

The School of Hospitality Business/Hospitality Business Spartans Destination Auction began in 1991. This annual event is a major fundraising extravaganza bringing together the efforts of hospitality business students and alumni/industry leaders. Net proceeds are divided between the student Hospitality Association and Hospitality Business Spartans (alumni) to support programs within both organizations.

The mission of the Hospitality Association (HA) is to create and refine hospitality business leaders by providing academic growth, industry experience, leadership roles, and career-enhancing opportunities by encouraging social interaction and the development of student unity. HA helps with student travel to industry conferences, workshops, and competitions; hosts roundtable and panel discussions; organizes industry tours; coordinates logistics for two graduation celebrations; as well as many exciting leadership activities. HA is the parent organization to seven student clubs and three on-campus events.

The mission of the Hospitality Business Spartans is to provide active leadership in support of the mission of The School through membership participation, image enhancement, financial commitment, and promotion of synergies among students, faculty and staff, alumni, community, and industry partners. The Hospitality Business Spartans host a variety of alumni receptions, annual membership meetings, Homecoming reception, and numerous regional events each year.
