

THE NATIVE AMERICAN BUSINESS INSTITUTE

JUNE 22 – JUNE 28, 2019

Greetings from the Multicultural Business Programs at Michigan State University! We are writing to invite you to learn more about our pre-college program for Native American high school students interested in learning more about college, opportunities in business, or who just want to gain a set of professional skills that will put them ahead of their peers.

The **Native American Business Institute (NABI)** is a weeklong pre-college summer program for Native American high school students that will be entering the 9th, 10th, 11th, or 12th grade during the 2019-2020 school year. Participants work with MSU admissions officers, college counselors, tribal community leaders, and corporate representatives in a seven-day “business boot-camp” that prepares students for the college and exposes them to numerous academic and professional opportunities.

NABI students:

- Develop Time Management & Study skills
- Receive tips & strategies for gaining admission to college
- Learn how to navigate the financial aid/scholarship jungle
- Form lifelong friendships with other Native youth, MSU students, & MSU support staff
- Strengthen communication and interpersonal skills
- Attend corporate, cultural, and leadership development workshops
- Cultivate a deeper appreciation and understanding of their culture
- Foster networks with business leaders and other professionals
- Expose students to various careers and opportunities in business
