

INTERNSHIP PROGRAMS

Eli Broad College of Business

- Step 1** Research your options (<http://educationabroad.isp.msu.edu/students/getting-started>).
- Visit the Education Abroad Advising Center & attend an Education Abroad 101 Session
 - Search for programs online
 - Visit the Education Abroad Expo and Broad College Study Abroad Fair
 - Attend Program-Specific Information Sessions
 - Meet with a Broad academic advisor to discuss how studying abroad can fit into your academic plan (<http://uas.broad.msu.edu/advising-student-services/advising/>)
- Step 2** Research Financial Aid and Scholarship Opportunities (<http://educationabroad.isp.msu.edu/students/getting-started/financing/>).
- Step 3** Apply to a program (<http://educationabroad.isp.msu.edu/students/apply>).
- Step 4** Meet with the program coordinator to discuss the internship placement and course enrollment process.
- Step 5** Receive an admission decision and accept your seat on the program.
- Step 6** Meet with a Broad College Study Abroad Coordinator to discuss the impact of internship credits on your degree plan and graduation requirements.
- Broad majors (excluding Hospitality Business) are allowed a maximum of 3 credits (two distinct 1 credit enrollments for accounting majors) of internship or other work experience to count toward the required electives for graduations.
