Step 1  Research your options ([http://educationabroad.isp.msu.edu/students/getting-started](http://educationabroad.isp.msu.edu/students/getting-started)).

- Visit the Education Abroad Advising Center & attend an Education Abroad 101 Session
- Search for programs online
- Visit the Education Abroad Expo and Broad College Study Abroad Fair
- Attend Program-Specific Information Sessions
- Meet with a Broad academic advisor to discuss how studying abroad can fit into your academic plan ([http://uas.broad.msu.edu/advising/student-services/advising/](http://uas.broad.msu.edu/advising/student-services/advising/))

Step 2  Research Financial Aid and Scholarship Opportunities ([http://educationabroad.isp.msu.edu/students/getting-started/financing/](http://educationabroad.isp.msu.edu/students/getting-started/financing/)).

Step 3  Apply to a program ([http://educationabroad.isp.msu.edu/students/apply](http://educationabroad.isp.msu.edu/students/apply)).

Step 4  Complete an interview with a Broad College Study Abroad Coordinator.

- An interview is required for all Broad students applying to a Broad-sponsored partner program.
- Course selection will be discussed generally (some institutions have not yet published that semester’s course list).

Step 5  Receive an admission decision and accept your seat on the program.

Step 6  Meet with Broad Study Abroad Coordinators and other Broad students on your program

- Discuss course enrollment and approval options based on current course information.
- Begin filling out the Course Approval Form (CAF) and learn how to get non-Broad courses approved by MSU departments responsible for those course subjects.

A note about the Course Approval Form: Broad students must submit a copy of the completed Course Approval Form (CAF), with all required signatures, to the Office for Education Abroad and the Broad College Study Abroad Coordinators before leaving for the program. Students should save a copy for their records.
