Transfer Application Process

Students wishing to apply for transfer student admission to MSU as a Broad major must complete the university application process through the MSU Office of Admissions (www.admissions.msu.edu). There is no separate Broad application for transfer students.

Specific Requirements for Transfer Students

(For the following degree-granting majors: Accounting, Finance, Human Resource Management, Management, Marketing, Supply Chain Management. Hospitality Business has separate requirements.)

Students may be admitted directly to the Broad College (Business Admitted major) or to MSU with a Business Preference major. *Complete official transcripts from all institutions attended are required for admission to the Business Preference and Business Admitted majors. Applications will not be reviewed by the Broad College transfer admission reviewers until all transcripts are submitted to the Office of Admissions.*

Business Admitted Requirements

- 28 or more cumulative transfer credits
- Completion of College Precore Courses (CSE 101, MTH 103/124/equivalent, WRA 101-195H) with 3.5 GPA across these courses, with no individual grade below a 3.0 in these three courses
 - See uas.broad.msu.edu/admissions/criteria/ for approved College Precore Course substitutions
- Minimum cumulative GPA of 3.5 across all institutions

Business Preference Requirements

Students with fewer than 56 credits who are not eligible for Business Admitted will be considered for admission as Business Preference. Preference will be given to students who have completed the College Precore Courses and have a 3.0 minimum cumulative GPA across all institutions.

Students transferring 42-55 credits should be making progress in the following courses:

CSE 101	MTH 124/higher	WRA 101-195H	BUS 250
ACC 201	ACC 202	EC 201	EC 202

Business Preference students will apply to the Broad College, and then a degree-granting major after matriculating to MSU.

Per MSU policy, students with 56+ transferable credits who do not meet the requirements for Business Admitted cannot be admitted to MSU as Business Preference.

Determining Transferability of Courses

See www.transfer.msu.edu for current course equivalency information.

RED courses are commonly transferred courses.

BOLD courses (300-400 level) can only transfer from a 4-year institution.

The Broad College limits 300-400 level transfer courses to 9 total credits.

A passing (2.0/C) must be achieved to earn transfer credit.

See WWW.TRANSFER.MSU.EDU for current equivalencies; check this site each semester, as equivalencies change over time. Do not use "transfer guides" produced by other institutions.
