The **DEPARTMENT OF MARKETING** develops transformational marketing leaders who make business happen while creating knowledge by doing empirical research at the “state of the science” and translating it to the practitioner’s “state of the art.” Core competence is in the exercise of managerial and strategic marketing aimed at generating superior customer value. Undergraduates receive an understanding of marketing concepts and tools application from award-winning faculty; master’s in marketing research students are part of a number one ranked national program; and doctoral students contribute to Broad’s global reputation as a leading research-intensive business school.
