Admission to the Broad College
The Broad College admissions process is based on a holistic performance model which includes a proctored case study, an experiential profile, MSU cumulative GPA, and a college precore GPA consisting of grades in WRA 101-195H, EC 201 or EC 202, and STT 200 or equivalent. Students must also have completed 28 cumulative credits and CSE 102. Students who are admitted to the Broad College will be designated “Business Admitted.” Students who do not gain entry upon initial application will be eligible to reapply. Enrollment in the Broad College of Business is limited, and admission to the College is competitive.

Admission to a Degree Granting Major
Once admitted to the Broad College, students who remain in good standing with the university and have completed 56 credits or more will be eligible to apply for admission to a Broad College major (excluding Hospitality Business). Admission to major will be competitive and based on a model including MSU cumulative GPA as well as grade performance in major precore courses (ACC 201, ACC 202, EC 201, EC 202, ITM 209, and MKT 250). The following competitive admission majors will also use a combination of courses relevant to performance in the major: Accounting, Supply Chain Management.

Transfer Student Admission
Transfer applicants will be admitted either as “Business Preference” or “Business Admitted.” Transfer students will not be directly admitted to a Broad College major, but will enter into the competitive process.

Admission to Hospitality Business
Hospitality Business students will not participate in the above process, but will participate in an admissions process uniquely designed specifically for the major.

MSU grades only, with the following exception: If only one MSU precore grade is present, transfer precore grades will be reviewed. Precore equivalents taken at MSU are used in the college precore GPA calculation. AP/IB/CLEP scores that lead to credit carry a GPA value for the College Precore GPA only; see broad.msu.edu/undergraduate/admissions for equivalencies.

* If both EC 201 & EC 202 are completed, both grades will be used.

Only MSU grades are used in the cumulative and major precore GPA calculations. Precore equivalents taken at MSU are used in the major precore GPA calculations. BUS 250 (prior to Fall 2018) and MGT 250 (Fall 2018-Summer 2019) are used to fulfill the MKT 250 requirement.
